

REMARKS

Consistent with the Notice, Applicants have submitted "...only the corrected section of the non-compliant amendment...", *i.e.*, the entire "Amendments to the claims" section of Applicants' Response filed on May 26, 2005. The remaining portions of Applicants' Response are incorporated herein by reference.

It is respectfully noted that Applicants' file copy of the May 26, 2005, response appears to include a complete listing of the pending claims and status identifiers for each of the claims. Applicants note that the penultimate element of claim 1 as set forth in the May 26, 2005, response inadvertently included a recitation of "media" instead of the prior recitation of "medium" as presented in Applicants' October 13, 2004, response. The claims as presented in this response rectify this inadvertent error.

Applicants respectfully submit that any deficiencies noted with respect to the proper status identifier of the claims have been addressed and cured, and submit that no new matter has been added. Applicants submit that all claims under consideration are in condition for allowance for all the reasons discussed in Applicants' response to non-final office action, submitted May 26, 2005.

CONCLUSION

In view of the foregoing, it is respectfully submitted that the present application is in condition for allowance, and an early indication of the same is courteously solicited. The Examiner is respectfully requested to contact the undersigned by telephone at the below listed telephone number, in order to expedite resolution of any issues and to expedite passage of the present application to issue, if any comments, questions, or suggestions arise in connection with the present application.

Respectfully submitted,

Hunton & Williams LLP
